*Real neighbors. Real neighborhood.*

March 1, 2008

Dear Neighbor,

Great news from your Washington Square Neighborhood Association--we are now a non-profit 501(C)(3) organization! This makes your membership contributions and event donations **tax deductible**. We thank you for your continued support and hope you are enticed to throw in a few extra dollars to avoid having to give it to Uncle Sam.

As we embark upon the year 2008, **WSNA continues to be one of the highest membership** associations in the city of Santa Ana. This is great news too--to know our neighborhood is made up of people who care so much and give so much. We have a lot to be proud of, and a lot left to do.

The WSNA Annual Membership Drive has been successful for many years and the committee is very grateful. Now it is again time to ask you to contribute to the work it takes to **make Washington Square a great place to call home**. With your financial support, we can continue to host annual events such as the Summer Party, Fall Concert and Holiday Party. Our events are popular, well attended by residents, and a great time to have fun in your neighborhood.

Your generosity funds the quarterly newsletters, our popular website, and quarterly general meetings. These continuing communications ensure Washington Square residents are provided with current information in the neighborhood and citywide and allow prospective residents and real estate professionals to learn more about us with only a few clicks. **This type of visibility builds an image of the neighborhood which adds to your property value.**

We urge you to continue supporting your all-volunteer Washington Square Neighborhood Association. Please select from one of the following contribution levels when making your contribution and make your check payable to "WSNA" and enclose your payment in the envelope provided. Thank you in advance for your generous support.

Sincerely,

*Laura Tobias Garcia*
