

NEIGHBORHOOD ALERT

Our neighborhood **MUST RESPOND** to the changes being proposed for the **BRISTOL WIDENING PROJECT** along the west side of our neighborhood!

PLEASE KEEP:

- our property values strong
- a sound wall from Civic Center Drive to 17th St.
- improved and safer traffic flow at Washington and Bristol intersection
- green belt/sidewalk/lighting along our neighborhood side of the project
- all Bristol St. utilities underground

(as originally proposed - like the city did in the already completed sections)

WE WILL BRING A PETITION FOR YOU TO SIGN SOON.

**WE WILL DELIVER OUR PETITION TO OUR MAYOR
AND CITY COUNCIL MEMBERS.**

THANK YOU!
